### ***Reviews***

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

## HOW TO SURVIVE BEING ALIVE

Coffeetown Press. Paperback. Book Condition: New. Paperback. 212 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. In 1977, the theory that stress, positive as well as negative, could lead to accidents or illnesses was far outside the mainstream. How could a pleasurable and exciting event such as a promotion, a marriage, a financial windfall, a vacation, or even Christmas be a bad thing? In their book, *How to Survive Being Alive*, authors Elton Welke and the late Dr. Donald L. Dudley put in plain language what many doctors had always suspected: that the body responds to life's highs and lows by lowering its defenses. Dudley and Welke's introduction of life-change scales to laymen clearly identified the possible consequences of experiencing too many changes all at once or making drastic revisions in life-style. They included the Social Readjustment Rating Scale, first created by psychophysicologists Thomas H. Holmes and Richard H. Rahe, which provided a practical means of measuring the stress-related consequences that certain events and milestones can precipitate. *How to Survive Being Alive* dramatically and permanently changed the dialog between doctor and patient. As a direct result of its publication in 1977, many more doctors began to consider the physical and mental states of their patients, rather than simply treating symptoms. This classic guide to identifying and learning to cope with stress as well as improving interpersonal relations with others is also surprisingly relevant in our even more hectic twenty-first century world. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Paperback.
