SOLAR AND LUNAR RETURNS: MANY EXERCISES (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 200 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has a collection excerpts from my blog (/), where I have answered questions from foreign readers, since 2007. My blog posts include suggestions for Aimer Solar and Lunar Returns for specific reader queries along reasons for suggesting them and analyses of consequent repercussions on taking such a possible step. A record of this manner of interaction provides a practical insight to all readers about the ways and means of using Active Astrology to further their interests regarding love, money, real estate transactions, education, etc., and guard against sickness and possible troubles in other realms of life. The book deals only with practical cases that explain the technique of using astrology as a means to address your normal necessities and not with abstract theory. I have also answered technical questions from readers about rules involved in the exercise, making the contents of this book a tutorial as well. A large collection of Solar and Lunar Return charts are included as ready reference to easily understand the explanations in text.
