Ethiopia, Mozambique, Tanzania, Republic of Congo, Ghana, Zambia, and Nigeria. These numbers are impressive, but they do not reveal the myriad of opportunities and alternative strategies to do business in Africa. Grow Rich in the New Africa attempts to present a number of opportunities and strategies so that entrepreneurs, investors, and SMEs can piece together unique strategy configurations to be successful in Africa. It extends the coverage first presented in Redefining Business in the New Africa. Some of what you will learn includes: - Global trends and Africa - Networks of players in Africa - Business, trade, resource, and information flows in and out of Africa - The future of major sectors, e.g., energy, real estate, transport, natural resources, retail markets - Building strategy around both formal and informal markets - Alternative strategy and leverage points to do business in Africa The team at Afribiz has put together their collective expertise, and that of other experts and entrepreneurs, to help you make the most of the opportunities in Africa in a strategic and practical way.
