Penguin Putnam Inc, United States, 2012. Paperback. Book Condition: New. Reprint. 168 x 102 mm. Language: English . Brand New Book. The #1 New York Times bestselling author delves into the world of elite firefighters who thrive on danger and adrenaline men and women who wouldn't know how to live life if it wasn't on the edge. Little else in life is as dangerous as fire jumping. But there's also little else as thrilling at least to Rowan Tripp. Being a Missoula smoke jumper is in Rowan's blood: her father is a legend in the field. At this point, returning to the wilds of Montana for the season feels like coming home even with reminders of the partner she lost last season still lingering in the air. One of the best of this year's rookie crop, Gulliver Curry is a walking contradiction, a hotshot firefighter with a big vocabulary and a winter job at a kids arcade. And though Rowan, as a rule, doesn't hook up with other smoke jumpers, Gull is convinced he can change her mind. But everything is thrown off balance, when a dark presence lashes out against Rowan, looking to blame someone for last year's tragedy. Rowan knows she can't complicate things with Gull; any distractions in the air or on the ground could be lethal. But if she doesn't find someone she can lean on when the heat gets intense, her life may go down in flames.
