The town s Mayor-Manager plays a leading role in the new play: Not Exactly My Dear. His on stage homicide designed to look as a scripted suicide sends a recently retired 8th grade teacher on a new venture; to find the killer and bring him/her to justice. The intricacies of local folks relationships is exposed revealing their ambitions and character faults. It s a study in real character, demonstrating the desires, hidden and otherwise among the townspeople. A second killing, that of the Town Manager s personal secretary further confounds the populace. All is not well in the culmination of final thoughts and suspicions, some of which remain with the reader.
