Brand New Book ***** Print on Demand *****.Excerpt from The First Epistle of John: Or God Revealed in Life, Light, and Love This series of studies upon the First Epistle of John is the outgrowth of two convictions: First, that this Epistle has much valuable truth for the upbuilding of the Christian life; secondly, that no condensed and connected development of the truth contained in the book has been published for many years. Students of the Bible have often spoken of their difficulty in understanding this Epistle. The writer confesses that he had a similar experience himself. When he first began to study the book he could say with an ancient author: I am far from understanding all; I read, but it seems to me as if what John meant were floating before me in the distance, and even when I look into a passage altogether dark, I have a foretaste of some great, glorious meaning which I shall some day understand. The simplicity of the language in which the majesty and the depth of thought of this Epistle are expressed has hindered that careful study of this book needed to trace its connecting links. The profound mysteries of the relation between God on the one hand, and the world, the soul of man, the evil one, deceiving spirits, and the coming Antichrist, on the other, are stated in language adapted to the understanding of a little child.
