Excerpt: . . . 11 States, the District of Columbia, the Commonwealth of Puerto Rico, U. S. territories, and selected urban areas for submission to DHS-ODP will play a pivotal role in the identification, prioritization, and allocation of financial resources provided through the three grant programs. The funding provided will be applied against critical re-source gaps identified through the assessments and prioritized in the State strategies. Providing funds through a single assessment and strategy, application and award process facilitates coordination of preparedness activities related to the goals and objectives identified in the State strategies, resulting in a more effective and efficient use of funding. A single application also minimizes time spent on the application process and consolidates reporting requirements. The three programs further provide the opportunity to enhance regional prevention, preparedness, and response efforts. States are encouraged to employ regional approaches and to adopt regional response structures whenever appropriate to meet the needs identified through the assessments and in the States Strategy. While the Department is working hard to provide assistance and support to our...
