The newly graduated dentist is often alone as he or she stumbles through the unfamiliar realms of sales, customer service, and hiring staff. A thirty-year veteran of dentistry, Kevin Coughlin, DMD, MBA, MAGD, runs fourteen dental practices, performing all aspects of general dentistry. Under his expert tutelage, you ll learn how to apply his tested and refined processes and procedures to your own dental office. Let Coughlin guide you through the otherwise torturous process of hiring your team and providing them with the right training and education. He also offers teaching points in the clinical aspects of dental surgery and the comprehensive treatment planning of cases that are difficult to include in your practice. From day-to-day office management to cosmetic dentistry and other specializations you can add to your growing practice, Coughlin offers it all-a complete guide for business, the dental chair, and personal life. You could grow your practice through trial and error. Or you could follow Coughlin s proven blueprint for success.
