Their connection will help us all to open our hearts and minds while assisting in our individual and global Ascension process. Through these beings of light and love; we are also encouraged and guided to realize our own Divinity. We are given knowledge to improve our lives in seeking true wisdom within ourselves. In our self-realization, we can continue to understand the soul s ultimate goal and return to Universal peace and love, our true home. These extraordinary communications, some written in rhyme and reason , are supported with amazing illustrations which enable the Trans-Leations to answer many questions about our past, present and future. They leave us in no doubt that in our own true stillness , a Pathway of truth is revealed to each and every Soul.
