Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Alfred Music, United States, 2009. Paperback. Book Condition: New. 300 x 224 mm. Language: English . Brand New Book. This lighthearted solo perfectly portrays the fun of chasing fireflies on a summer evening. Eighth-note patterns represent the chase while staccato notes depict the points of light displayed by the fireflies. The left hand moves from bass clef to treble, crossing over the right hand to play some of the staccatos. The tonal center is on G, with changes between major, minor and mixolydian in 4/4 meter. An optional teacher accompaniment adds to the fun.
