L'époque romantique contre la peine de mort

By Eric Tannier

Editions Universitaires Europeennes EUE Feb 2011, 2011. Taschenbuch. Book Condition: Neu. 220x150x11 mm. This item is printed on demand - Print on Demand Neuware - L'abolition de la peine de mort est un thème partout agité au début du XIXe siècle. Dans les cercles littéraires, judiciaires, philosophique, politiques, religieux, parlementaires, les assauts des abolitionnistes sont incessants. Leurs motivations sont diverses, parfois surprenantes pour l'habitué des lignes politiques plus contemporaines. Avant d'être un combat de gauche, l'abolition fut contre-révolutionnaire, et la peine de mort tant associée à la guillotine de la première République que la haine de l'une déborda souvent sur l'autre. Les clans se forment ensuite selon l'aversion pour le châtement suprême en matière politique ou pénale. La clémence pour les assassins n'invoque pas la même sensibilité que la compassion pour les ennemis politiques, auxquels nombreux sont ceux qui peuvent s'identifier, en ces temps de fréquents bouleversements de régimes. Les abolitionnistes les plus connus, Hugo, Lamartine, représentent bien la diversité des familles politiques: jeunes royalistes, puis libéraux socialisants, ils montrent à quel point toutes les questions d'un siècle se cristallisent autour de la peine de mort. 176 pp. Französisch.

Reviews

It is one of my personal favorite book. It is one of the most incredible ebook i have got go through. You will not feel monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).

-- Giuseppe Mills

It is straightforward in read through better to recognize. I could possibly comprehended every little thing using this published e pdf. Its been written in an extremely basic way and is particularly merely following i finished reading through this ebook through which really transformed me, alter the way i believe.
