

Make Your Own Laptop: Color Build Your Own Computer! (Paperback)

By Don Pearlstein

Dover Publications Inc., United States, 2012. Paperback. Book Condition: New. Robbie Stillerman (illustrator). 272 x 201 mm. Language: English . Brand New Book. This fun-filled activity book helps children put together a pretend computer of their very own. They can color the individual parts of a laptop -- including a mouse, flash drive, and speakers -- and then assemble the punch-out pieces according to simple instructions. The keyboard opens to reveal the labeled inner components, and the book provides basic information on how computers work. It s a wonderful gift for kids ages 4 to 8.

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
