Not Avail, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Traveling can be an amazing, transformative experience. It can also be a pain. Have you ever resented your luggage? You can admit it. Everything that seemed totally necessary when you were packing is suddenly the bane of your existence when you re dragging it around a strange city trying to find your hotel. Most frequent travelers aspire to pack light, but many can t pare down their load to a single carry on bag. Unsure of what you need, you pack everything you might use. Your luggage becomes a physical and mental burden. You have to carry all your stuff. You have to worry about all your stuff. You have to pay to check your stuff. Travel can be difficult and challenging enough on its own. Don t add to it with excess luggage. Travel light. Stay flexible. Enjoy your trip. You will remember what you did and how you felt, not what you packed. Even if you check a bag on every trip and have never traveled carry-on-only, you can become a light packer. The Benefits of Carry On Travel Why would you want to travel carry-on-only? Why travel light? Skip the airport check in line No wasting time waiting for your bag at baggage claim Always make your connecting flight, even on short layovers Save money on airline baggage fees, often \$50 or more per roundtrip flight Don t worry about the airlines losing or damaging your luggage Less stuff to keep track of Bringing fewer clothes means less worrying about what to wear Bring your luggage on local transportation, like buses, taxis, motorcycles, and tuk tuks Never drag a heavy suitcase over cobblestone streets...
