One who wants to get joy of book reading especially in very less time can go for it. About The Book ANNE MANNING The Household of Sir Thomas More Anne Manning, one of the most active women novelists of Queen Victorias reign, was born in London on February 17, 1807. Her first book, A Sisters Gift: Conversations on Sacred Subjects, was written in the form of lessons for her brothers and sisters, and published at her own expense in 1826. It was followed in 1831 by Stories from the History of Italy, and in 1838 her first work of fiction, Village Belles, made its appearance. In their day Miss Mannings novels had a great vogue, only equalled by her amazing output. Altogether some fifty-one stories appeared under her name, of which the best remembered is The Household of Sir Thomas More, an imaginary diary written by Mores daughter, Margaret. After appearing in Sharpes Magazine, it was published in book form in 1860. It is wonderfully vivid, and is written with due regard to historical facts. It is interesting to compare it with the Life of Sir Thomas More, written by William Roper, Margaret Mores husband, with which it is now frequently reprinted. Miss Manning died on September 14, 1879.
