[In stock in Australia now, for immediate delivery]- The three current cycles of The Worlds of Aldebaran [Aldebaran Betelgeuse and Antares] undoubtedly make up one of the most captivating science fiction series of recent years. The author tells of humanity's first attempts to colonise distant planets. Kim - who faces many adventures and challenges - begins her trek on the Aldebaran planet. Along the way to Betelgeuse and Antares, she encounters strange creatures, confronts dangers from unknown worlds, and witnesses damage caused by mankind's insanity. Humanity migrates to a new planet, the secrets of which Kim Keller will have to unravel. After the failure of the Betelgeuse colonisation mission, Kim is back on Earth, where she is an increasingly popular figure. Meanwhile, advance scouts on planet Antares have witnessed some distressingly strange events. Worried about the future of this new mission, the sponsors of the Antares project call upon Kim to accompany the first colonists, offering legal amnesty for Alexa and Mark in exchange. It's the beginning of a new adventure for the young woman and her friends. Key Points: *Published in English...
