Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Praise for Bob Mayer s science thrillers: ?A crackling science thriller in the vein of Crichton that mixes action with science fiction.? Kirkus. What if Judas is still alive, hidden away in the jungles of the Amazon, waiting for the Second Coming? As a massive object appears in space heading directly toward Earth, the Brotherhood heralds it as Wormwood, one of the signs the Rapture and it s just three days away. They have been preparing to implement the Great Commission as designated by Jesus? where everyone on the planet must hear the word of God before the end in order to be saved. They will use advanced technology to send that message directly into the minds of every human on the planet. The question is: will the message kill everyone who gets it or save them? Believing him to be the anti-Christ, they also send a team of assassins up the Amazon to find the Great Betrayer and kill him before Armageddon. Opposing the Brotherhood is the Triumvirate of the Illuminati. They believe they must stop the Great Commission and the assassination team. At the same time they rush to gather nuclear weapons and launch missiles into space to divert the Intruder, as they call the object, believing it to be a natural phenomenon over which technology will prevail. Three survivors do finally make it to Judas, and he tells them a story, the true story of what happened over two millennia ago. And what is approaching. As the object nears Earth, both sides become locked in a world-wide battle for the future of the human race, as Judas prepares in the jungle for the Second...
