Post-Obama, Colonel Lance Tucker is Commander of the next generation X-33 space shuttle Intrepid, for a showpiece midnight launch to the International Space Station. In a New Cold War, a crisis involving Intrepid has horrific consequences on Earth. Lance hatches a desperate plan to travel back in time using the shuttle, and change history by preventing its launch. But is time travel possible How can the necessary fuel be acquired from the Russian-controlled ISS Can the shuttle and its crew survive the journey back in time And how can General Jack Nelson be convinced to abort the launch As Lance races against the clock to change history, his actions and words have unforeseen consequences on everyone. . . . A science fiction adventure, with over 23rds of the action based on Earth, so will appeal to both action adventure and science fiction fans. 106, 870 words. Reviews; BRILLIANT AND THRILLING AND SO WELL WRITTEN, Intrepid is not your typical thriller - Steve Stone proves that he is many notches above your average writer with his superb plot - very well constructed characters and locations that jump right out at you - a must read series. Quite an ingenious plot - but can the book live up to the promise The answer is a resounding YES!!! Steve Stone has produced a novel so full of superb characters, unique locales and gadgets, and most important - characters so finely drawn that the reader is literally plunged into his world. And what a world it is! The immense skills of Mr. Stone allow him to combine so many elements to create
