

Processes and Perspectives Sacred and Secular

By D. George Harrison

iUniverse.com. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. PROCESSES AND PERSPECTIVES deals with the evolutioncreation issue, but in a different manner from the usual mainstream works. As a retired professional biologist and Christian, I defend Darwins basic concepts of natural selection and disagree with the creationists perspective on Darwin in general and this topic specifically. This work focuses on modern science and scriptures commonalities by examining the full range of meaning for the Genesis Hebrew words and the most current legitimate science. As a result, there are many new insights into science and the Genesis story. Also addressed are randomchance, falsification, literalism, and other related issues. This book not only demonstrates to religious and secular skeptics that the concept of organic and inorganic evolution is perfectly valid, but that the Genesis account is also valid if read without all the historic and current presumptions. This work violates only both sides preconceived notions and entrenched misunderstandings of each other. There is no scripture twisting or alternative science used to show the commonalities of the two on this subject. This work does not isolate one from the other. This is about building a legitimate, functioning bridge between the...
