Pure Genius: Building a Culture of Innovation and Taking 20 Time to the Next Level Because innovation deserves more than one hour a week. You ve heard the complaints too many times: When am I ever going to use this in the real world? Why are we learning this? When are we going to learn about something interesting? But what if your students came to class excited? What if they were passionate about their projects? What if they grasped the connection between today s work and tomorrow s careers? In classrooms across the nation, innovative teachers are employing passion-based, open-source learning to improve their student s education. In Pure Genius, Don Wettrick encourages teachers and administrators to collaborate--with experts, students, and one another--to create interesting, and even life-changing opportunities for learning. You ll discover: Innovation brings a fresh approach to solving real problems Creative ways to work within the constraints your current budget and system Courses that offer relevant content can inspire students to learn beyond the classroom Collaborating with experts and mentors improves the learning experience for students...
