Brand New Book ***** Print on Demand *****.Excerpt from Melchizedek or the Exaltation of the Son of Man Every Bible student meets with questions the solution of which will, for a time at least, elude his grasp. The discovery of Bible mysteries, correctly viewed, is but a natural result of the study of the recorded thoughts of the Infinite by the finite mind. Such discoveries, instead of undermining the fact of inspiration in Divine revelation, are rather proof thereof; for it is written, As the heavens are higher than the earth, so are my thoughts (higher) than your thoughts. The unfolding of these problems is God s answer to the true search for living truth. When, with the solution of one of these Bible mysteries, a golden thread of Jehovah s marvelous system of truth is traced, and appears to our astonished vision, unbroken, harmonious, surpassingly beautiful; how profoundly are we impressed anew with the inspiration of the Word of God.
