

Screen-Smart Parenting: How to Find Balance and Benefit in Your Child's Use of Social Media, Apps, and Digital Devices (Hardback)

Book Review

This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting to read this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.
