Reviews

A top quality publication along with the typeface applied was exciting to read through. It can be rally interesting throgh reading through time. Your life period will be enhance once you full reading this article book.

(Prof. Demond McClure)

LOOKING FOR THE MAHDI

Ace Science Fiction, 1996. Trade Paperback. Book Condition: New. First - First Edition. some copies *may* have some light shelf wear; N. Lee Wood portrays an all-too-possible near-future where the face of global politics appears ominously familiar. Where a microchip holds the secret of angels. And where technology meets its match in human nature. Halton was a humanoid fabricant, created to serve as a bodyguard in the Middle East. Kay was an all-too-human correspondent, assigned to deliver him to a country from which she had barely escaped with her sanity. She didn't know it was a setup.until it was too late. And the only one she could trust - the only one who hadn't betrayed her - was the android himself.
