Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In Letter Sounds Save Their Soul books 1 - 3 readers mastered the alphabet and learned that one letter represents 1 single sound. In book 4, readers learn that 2 different letters create 1 brand new partner sound, technically known as digraphs (letter pairings) and diphthongs (the new sounds these pairings make). Within the level 4 series, developing readers learn to sound out, read, write and learn the meaning of 1,408 new words. Students also are introduced to a powerful end of word tag-the-vowel strategy, which is a skill that will play an important role in advanced decoding practices introduced in the level 5 of the series. At the completion of Book 4, Preschool - 1st grade learners, who started the program with Book Series #1 will read and comprehend at least 2 skill levels above their designated grades, and struggling readers will have gained equally measurable literacy skills. For instance, a child introduced to the program at age 4, by the end of kindergarten, will have a 1,979 word reading vocabulary, which consist exclusively of words that he or she can decode, sound-out and comprehend; at a solid 2nd grade skill level! But more importantly, because of their solid phonics, decoding and comprehension head start, while adapting to the unfamiliar demands of a controlled structured school environment, reading prepared children will have the luxury of progressing emotionally and socially at their leisure. Reading Mastery Time Estimate: Starting with Level One / Book 1, depending upon the amount of weekly hours of practice devoted to learning to read, with a minimum of 2 hours per week, the entire letter sound out program could take up to 20 months...
