She learned from an early age the importance of being charitable to other people from the guidance of her Catholic upbringing. This led her to receive a calling from God that would change her life forever. It was this calling that eventually made her decide to leave her family in Macedonia and pursue a life devoted to serving God. There are not too many famous nuns of the 20th century. Mother Teresa s fame and celebrity came from simply doing good deeds. She is an inspirational woman because she sacrificed her own comfort and happiness numerous times in order to help others. Even if you are not a religious person, you will still find this book interesting because of the generous human being that she was. Despite living a middle class life while growing up, she had no reservations about becoming poor just to be close to those who needed her the most.
