Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Foundation of the World Everyone loves a mystery, unless they have been excluded. Bible believers are no exception, as everything about our creed is before the world's foundation. Faith, fellowship, godliness, and the good pleasure of His will - all proceed from that time before time, in the psalmist's dark sayings of old. But there is a downside to the faith that comes wrapped in a parable. The apostles themselves would feel left in the dark, wanting the Lord to speak plainly. And those parables meant to exclude the proud would ensure Christ's death on the cross. Yet nothing is secret but to be revealed, unless the matter is sealed. In his latest work, *Mystery, The Hidden*, author Joe Conti gives the reasons why: > The garden of Eden was east of Kuwait, meeting its end in the flood > Dinosaurs did not exist, in one of the world's greatest scams > Lucifer is indeed the Devil, one with kings who have sold their soul > The depths of Satan are man's exaltation in illicit sex and idols. Join with us in a closer look at Melchizedek, the Urim and Thummin, the finger of God, and Ezekiel's wheel. The Rapture is here, with the tree of knowledge, the atonement, and the finger of God. Your faith will increase, as we saints decrease by glorying in the cross.
