By E F Benson

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The little red-roofed town of Hayes lies in a furrow of the broad-backed Wiltshire Downs; it was once an important posting station, and you may still see there an eighteenth century inn, much too large for the present requirements of the place, and telling of the days when, three times a week, the coach from London used to pull up at its hospitable door, and wait there half-an-hour while its passengers dined. The inn is called the Grampound Arms, and you will find that inside the church many marble Grampounds recline on their tombs, or raise hands of prayer, while outside in the churchyard, weeping cherubs, with reversed torches, record other pious and later memories of the same family.
