HAY HOUSE, United States, 2015. Hardback. Book Condition: New. 157 x 155 mm. Language: English . Brand New Book. Think of a question - any question! (okay, maybe not a question like what was the name of my physics teacher? ). Then turn to a page, and experience the magic. the magic of F\*\*k It. We all have questions. And the bestselling F\*\*k It books have provided answers to hundreds of thousands of people around the world. The F\*\*k It philosophy - of not worrying so much, of letting go more, of caring less what others think and doing your own thing - has provided answers that work in real life, every day. In F\*\*k It Is the Answer, John C. Parkin adds another element to the F\*\*k It mix: by inviting you to ask your question, and then turn randomly to a page that offers you a F\*\*k It-style answer, he recruits the magical powers of your own unconscious. or fate . or spirit . or whatever it is that seems to guide us to the correct answers when we allow it. So this book is about allowing it . Just as F\*\*k It is about allowing it - relaxing, trusting, going with the flow, and allowing the magic to happen. This book is F\*\*k It Squared: taking the powerful wisdom of F\*\*k It, and then recruiting whatever worldly or unworldly magic it is that makes this work. Make no mistake though: work it does. So. ask your question, and turn to a page.
